Dear Parents,
 We had a wonderful first week of school! Thank you for your support and for sending all your child's school supplies. This week we will be working on our note books for math and ELA (English Language Art). Please remember to help your child with their daily math homework and their reading fluency (due on Fridays).
 We are also planning to work with our tablets-Moby Max! Be sure to send headphones with your child so they are able to use a tablet. Please put the headphone in a plastic bag and write the student's name.
 If your child is a parent pick up, feel free to send a note to your child's teacher letting us know that you had "set up a meeting place" at Orlando St. This way we will allow the student to walk and meet with you after school.
 A copy of the school supplies will be attached to the back of this newsletter in case you need it. Let's have another great week of learning.
